### **Disclaimer of other warranties**

No one is authorized to make any other warranties on IPL’s behalf, and any such warranties, given by any third party other than IPL, will not bind IPL. IPL will not be liable for any statements or representations made in any form that go beyond, are broader

than, or are inconsistent with this limited warranty, and other authorized literature or specifications furnished by IPL.

IPL makes this limited warranty in lieu of all other warranties, statutory, express or implied, including any warranty of merchantability or fitness for a specific purpose, which are hereby disclaimed and excluded to the fullest extent permitted by law.

On any components or parts not manufactured by IPL, but manufactured by a Third Party, and resold by IPL (including any component of the RFID system or locking mechanism), is subject to the manufacturers' warranty published by the Third Party.

### **Limitation of liability**

IPL's liability under this warranty is limited to, at IPL's option, (1) the repair or replacement of a defective Product or (2) a refund of the purchase price paid to IPL for the defective Product.

This Limited Warranty does not cover any labor expense for service, removal, handling or re-installation of the defective Product or part. All such expenses are the purchaser's responsibility.

IPL shall not, in any event, including IPL's negligence, be liable for direct, indirect, punitive, consequential or incidental damages of any nature whatsoever including loss of products (other than the Products purchased from IPL), lost profits, fees and labor costs whether arising from any defect or inability to use the Product.

### **Transferability**

This warranty is not assignable or otherwise transferable to any subsequent purchaser or user of the Product, except in cases where the original purchase is made through an authorized IPL distributor. In such cases, the warranty will extend to the first purchaser from the distributor. Any other sale or other transfer of the Product shall void this warranty and IPL shall thereafter have no further obligation or liability with regards thereto.

### **Waste handling products standards**

IPL's Products meet or exceed ANSI Z245.60 standard. Purchaser is responsible to make sure lifting equipment meet ANSI Z245.1, Z245.21 and Z245.30 standards, are properly adjusted and do not damage Products.

## User Guide for Wheeled Carts

**Here are the basic rules that must be followed in order not to damage your cart and ensure the warranty will remain valid until its expiration.**

- Do Not Overload. The maximum load is indicated on the lid
- Do not place sand or any other heavy material, hot material, hot ashes, oil, solvent, paints or any other flammable liquids in the cart.
- Do not place any hazardous product in the cart
- Periodically wash cart out
- Keep lid closed
- Do not drag
- Do not put any load on top of the lid
- Any repair, reconstruction or modification must previously be approved in writing by IPL.
- Always place carts on a hard, level surface

**To move cart manually:**

1. Close lid

2. Grasp Handle

3. Tilt cart

4. Push or pull to roll

**Unloading and movement of carts with a loading hand:**

- Only use loading hands that follow ANSI Z245.1, Z245.21245.30 and Z245.60 standards.
- Never drop the cart(s) on the ground when the cart(s) contains material.
- Never drop the cart(s) on the ground from a height exceeding 6 inches when the cart is empty.

**It is recommended the Cart owner establish and follow a program of periodic container inspections. Never climb in, on or occupy this cart for any purpose**
